Top Tips before you start

- 1.Please check that all parts are in the package before you start the assembly of your product. Once assembled, the product is exempt from our home approval policy. **IF ANY PARTS ARE MISSING, PLEASE CALL +44 0330 0904 420.**
- 2.Please ensure that you have sufficient space and number of people required (as indicated on page 1) to assemble your product.
- 3.During assembly, please take care not to over-tighten any fittings, as this may damage the product. Once the product is fully assembled, check the entire unit to ensure all parts are securely fastened before allowing children to use.
- 4.Please retain these instructions for future reference.

UK Warnings

- This product is designed for use children ages 3 to 6 years old.
- The max user weight is 25kg.
- Adult supervision required.
- Not suitable for children under the age of 36 months. Small parts and long cords can cause choking and entanglement / stangulation hazards.
- Warning. Only one user at a time to avoid collision hazard.
- Warning. Only for domestic use.
- Only for outdoor use.
- Warning. No somersaults or flips.
- Warning. Do not eat while jumping.
- Warning. Do not exit by a jump.
- Ensure that children are not facing the sun whilst using this trampoline.
- Before assembly, read and follow these step by step assembly instruction and warnings thoroughly. Failure to do so could result in serious injury or property damage.
- DO NOT attempt to assemble this product without following the instructions carefully.
- This product must be placed on a level surface and at least 2 meters from any structure, e.g., fence, shed, trees that could cause injury.
- Only adults should assemble or disassemble this product as it may contain sharp points and small parts. Keep all components out of children's reach. Small parts pose a choking hazard to children less than 3 years old.
- Warning. Do not use the mat when it is wet. Do not use during windy or rainy conditions. Properly store away to avoid injury or property damage.
- Warning. Empty pockets and hands before practice.
- Warning. Always jump in the middle of the mat.
- Warning. Properly step on and off the mat. Do not jump.
- Warning. Limit the time of continuous usage (make regular stops).
- DO NOT allow children to play on this product until it is completely installed.
- DO NOT attach items to the equipment that are not specifically designed for use with this product, such as but not limited to cables, skipping ropes and chains as they may cause strangulation hazards.

SPOBTS POWER M

Dress children appropriately while on and around this product. Use well-fitting shoes that do not have slippery soles. DO NOT allow children to wear ponchos, scarves, hoods, jewelry, loose shoes, loose fitting clothing, neckties, clothing with loose strings and / or clothing that might be potentially hazardous while using this product.

TIGHTENING NUTS AND BOLTS

- At the start of assembling, DO NOT FULLY tighten bolts / nuts all the way so as to allow some possible adjustment for ease of assembly.
- DO NOT use pliers or power tools to tighten up screws as they can cause damage to paintwork and nuts and bolts.
- After all major components are assembled, go back over all bolts and nuts and properly tighten all before using the product.

CARE AND MAINTENANCE INSTRUCTIONS

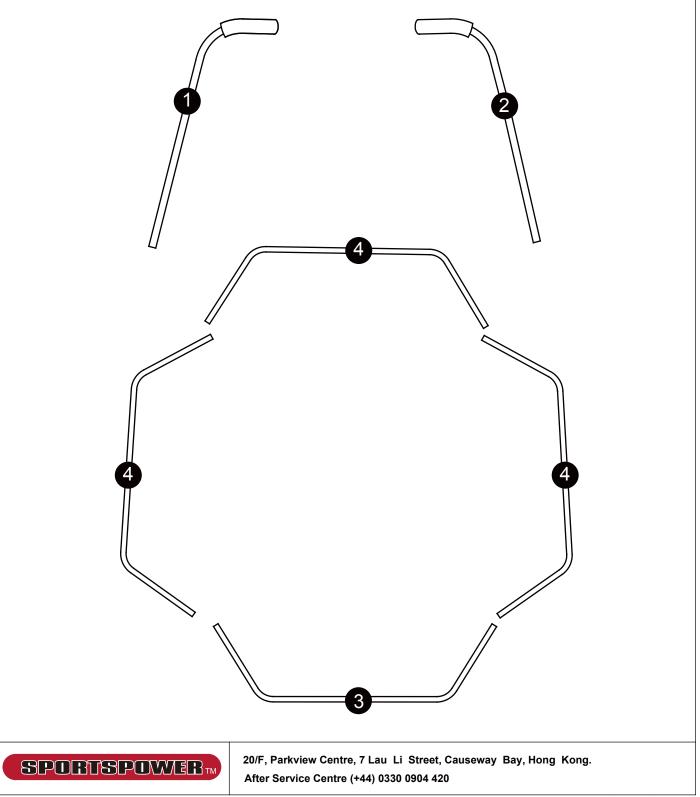

- Carry out checks and maintenance of the main frame parts, mat, cord, nuts and bolts before each play session and at least every two weeks.
- Check all nuts, bolts and fittings for tightness and re-tighten if required.
- Check unit for sharp edges which may have occurred during shipping, assembly, abuse or everyday usage. Replace if required.
- Check frame for any evidence of deterioration, cracks or exposed edges which could cause injury. If there are any such problems, contact the HELP LINE: +44 0330 0904 420 for replacement parts.
- When you wish to disassemble or dispose of the product, please completely disassemble the unit and discard of it in a safe place and manner so as not to present any hazard to any individual.

SPORTSPOWER M

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

Remove all parts from the packaging and lay the frame out in a large open space.

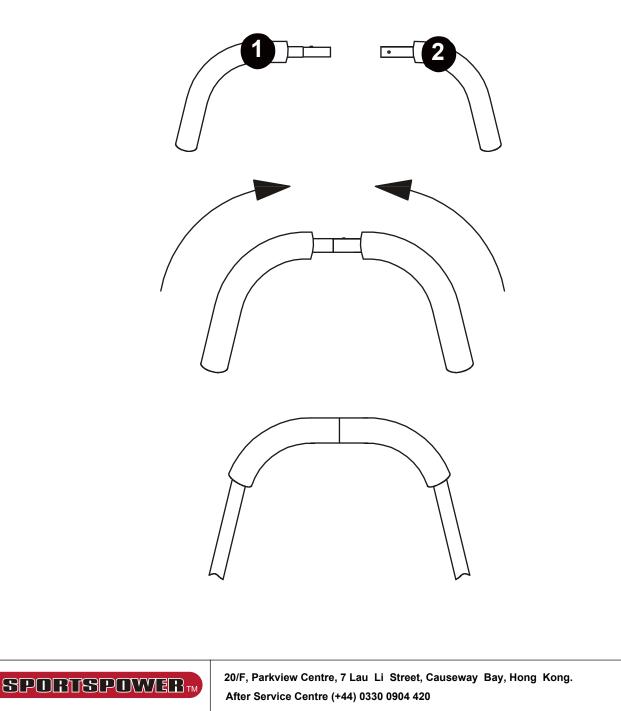

ASSEMBLY INSTRUCTION

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

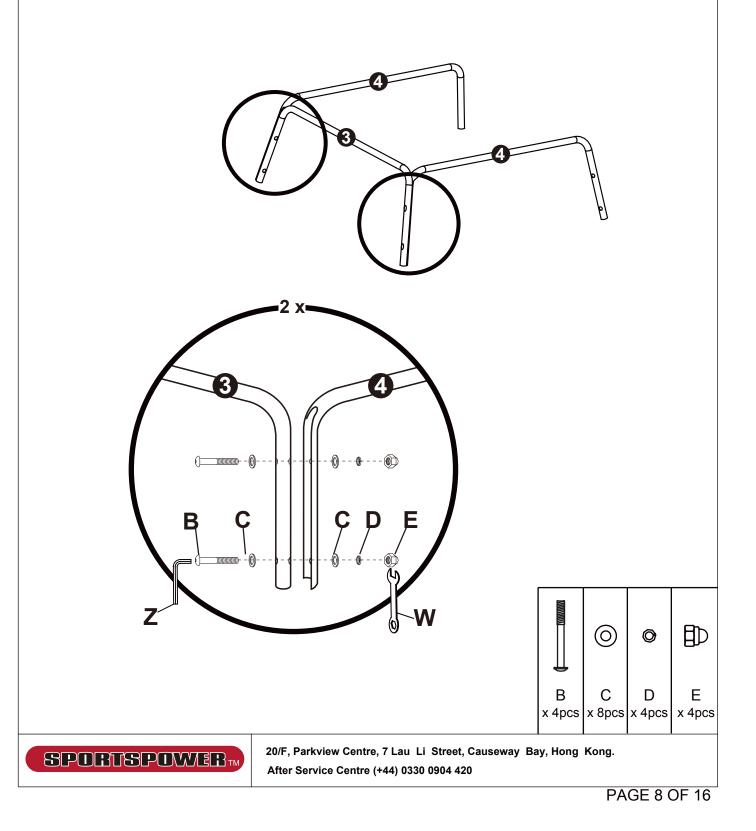

Attach the two handle sections together securely with the spring clip located to the centre. The handles should form an arch.

Connect leg (3) and leg (4) using the short bolt (B), flat washer (C x 2), spring washer (D) and cap nut(E). Repeat this process for both the top and bottom holes of the leg frames.

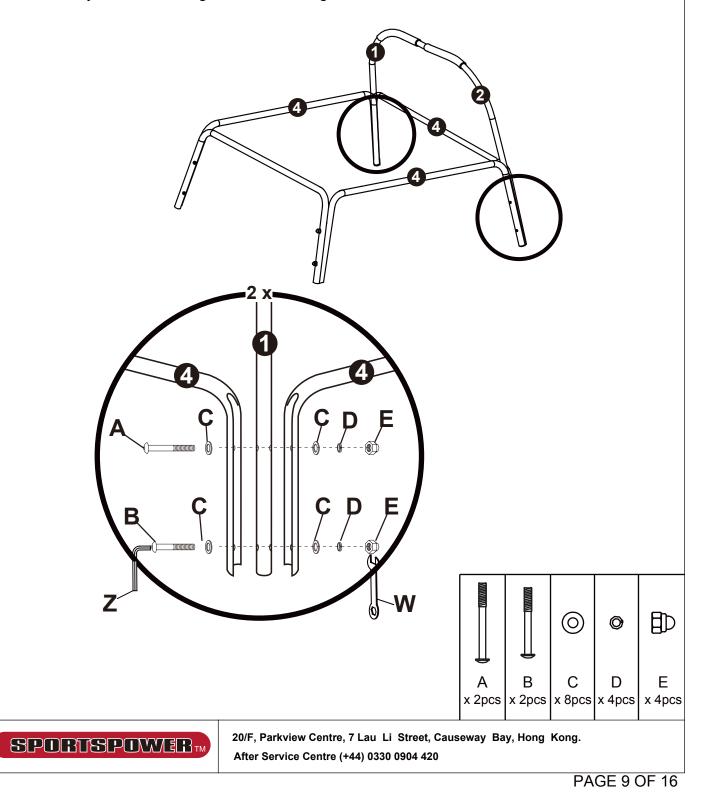

ASSEMBLY INSTRUCTION

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

Place the assembled handle bar in between the #4 legs and secure the leg frames together as shown in the enlarged diagram.

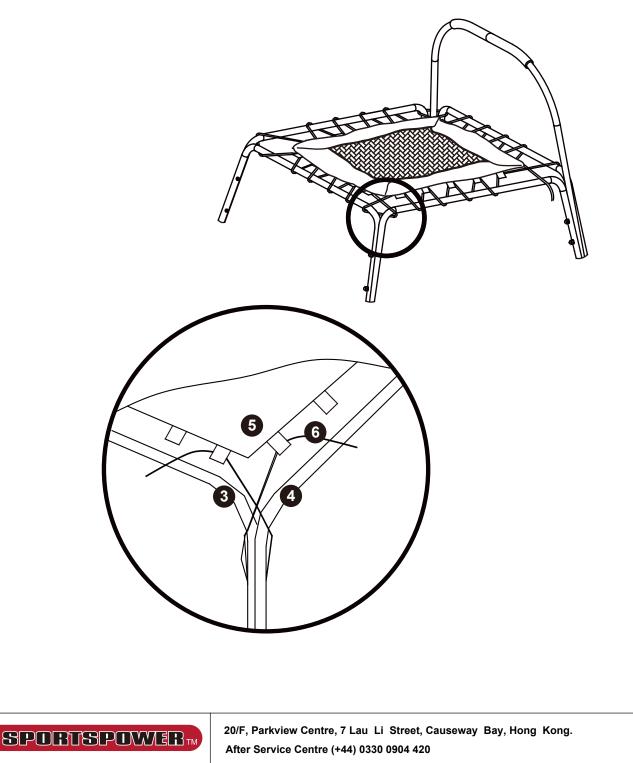

Once fully constructed, tighten all the fittings until firm.

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

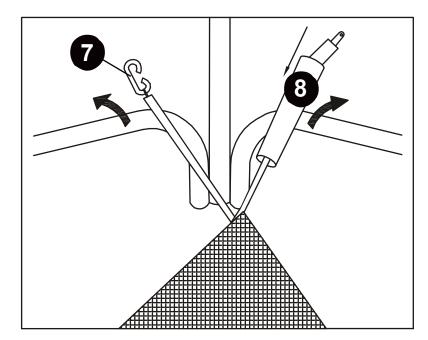

Position the mat (5) in the centre of the frame. Ensure the side with stitching is faced down. Starting at one corner, wrap the elastic cord (6) around the legs and up through the two straps as shown, ensuring that the length of the elastic cord is equal on both sides. Thread the elastic cord all the way around the trampoline as shown.

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

Once the elastic cord has been fully wrapped around the mat and frame, attach the sleeve (8) and the hook (7) to the ends of the elastic cord as shown.

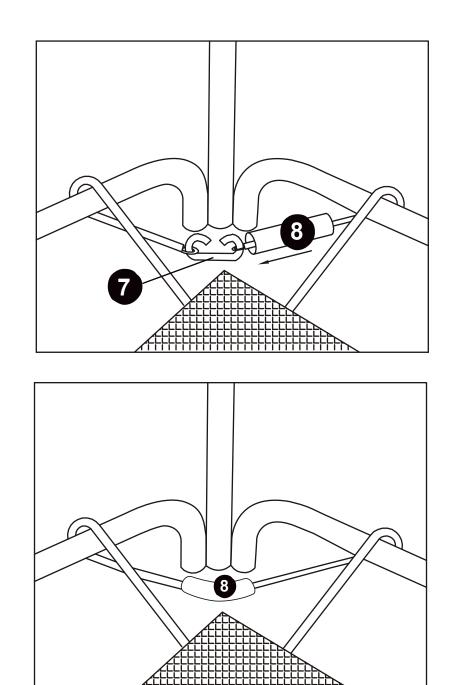

SPORTSPOWER M

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

Step 7

Hook(7) the elastic ends together. Slide the plastic tube(8) over the hook covering it completely. Please take care when hooking the elastic cord around the final leg frame as the tension of the elastic cord at this point will be high.

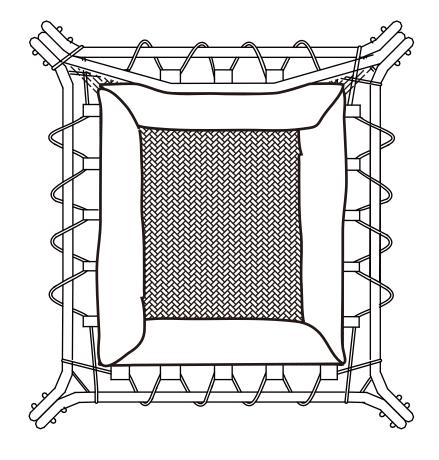

SPOBTSPOWEB M

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

The trampoline mat and frame may need to be re-centered and re-aligned upon hooking the elastic around the trampoline legs due to high tension in the elastic cord. Please ensure that the gap between the mat and frame is equal on all four sides. This is carried out by loosening or tightening each loop where appropriate and ensuring that the elastic cord and hook remains on the underside of the frame.

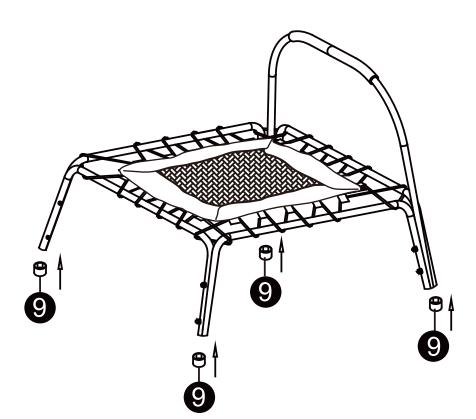

SPORTSPOWER M

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

Insert the end cap (9) into the legs.

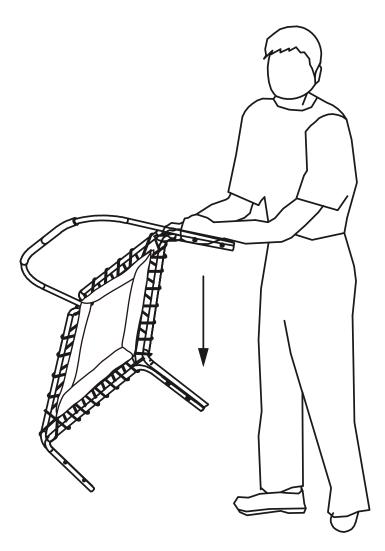

SPORTSPOWER M

DESCRIPTION 4UPWW JUNIOR TRAMPOLINE WITH SKIRT - PINK

If the trampoline is not entirely straight after assembly, lift up the leg on one side and press down on the frame until it is straightened.

Re-check all the screws to make sure they are securely fastened before use.

SPORTSPOWER M

Step 11

Pull the pad(7) to fully cover the entire frame. Tie elastic bands around the legs.
